2. I/We were shown/given a Casket Price List effective on _____ prior to discussing prices or caskets.
3. I/We were not told that embalming is required by law and were told that the law does not required embalming except in certain special cases. If embalming was provided, it was done with my/our permission.
4. I/We were not told that any law requires embalming for direct cremation, immediate burial, a funeral using a sealed casket, or if refrigeration is available and the funeral is without viewing or visitation and with a closed casket.
5. I/We were not told that any law requires a casket for direct cremations or that a casket other than an unfinished wood box is required for direct cremation or for direct disposition.

7. No claim was made to me/us as to the merchandise or other offerings of this funeral firm (embalming, casket, outer burial container) to the effect that embalming or the use of any merchandise available from the funeral firm would delay the decomposition of the remains for a long term or indefinite time, or that such merchandise would protect the body from graveside substances if such was not the case. No representations or warranties were made to us about the protective features of casket or outer burial containers other than those made by manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with the funeral service we arranged were the expressed written warranties, if any, extended by the manufacturers of such goods. No other warranties were extended to me/us.
8. I/We were told that the amount of each of the cash advance items was the cost to the funeral firm except were such was the case. I/We were told that the funeral firm's cost may be different based on volume or cash discounts or other professional/trade customs where permitted by state or local law.
